Things we do or say.

Little bits and pieces
Of laughter mixed with tears,
Paragraphs and pages
Written through the years.

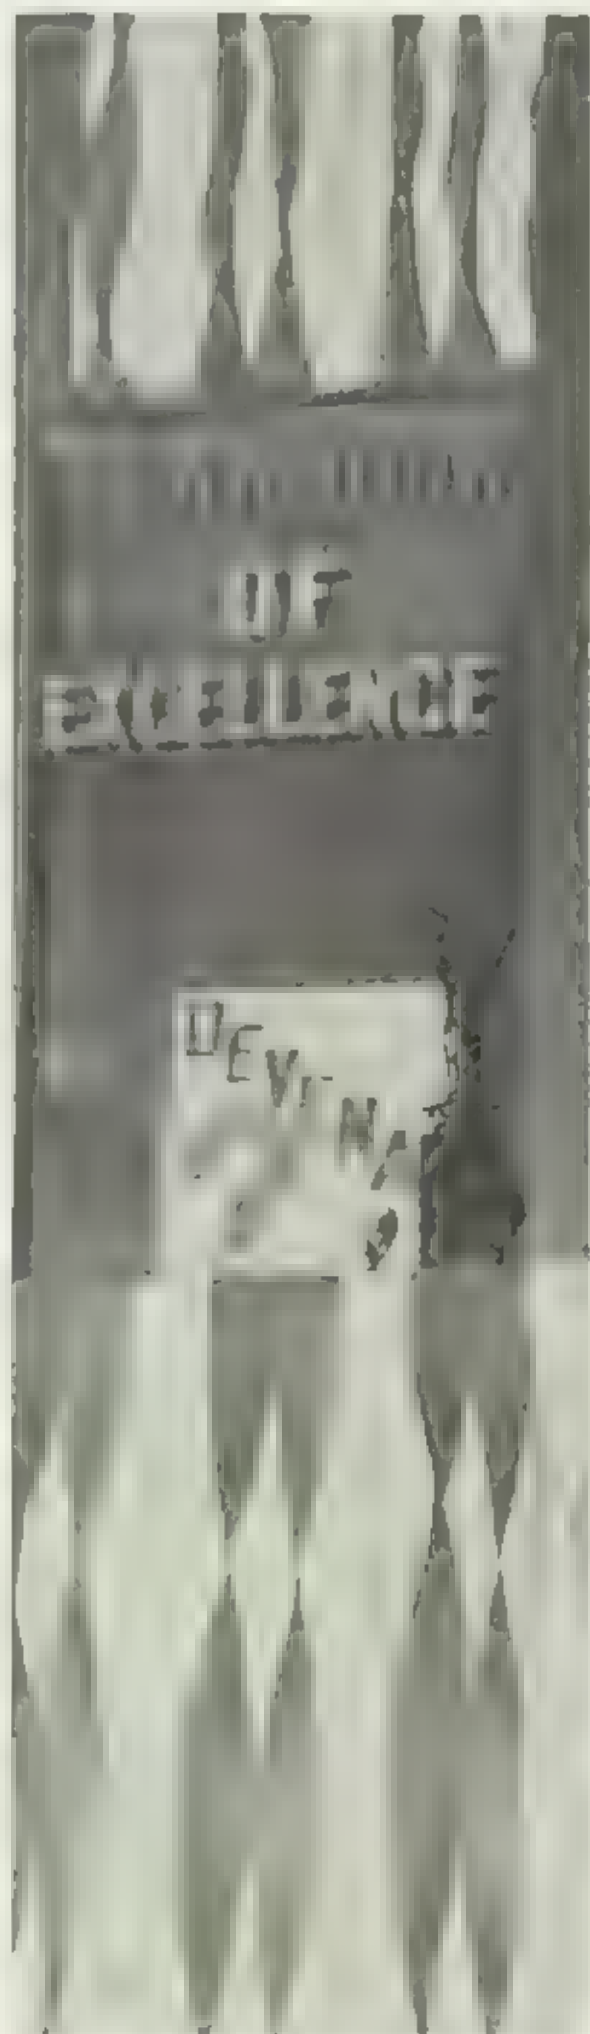

The carefree days of childhood
The growing pains of youth,
A few illusions shattered
In the endless search for truth.

The friendships we remember
Mistakes that we regret,
The ending of a love affair
We never could forget.

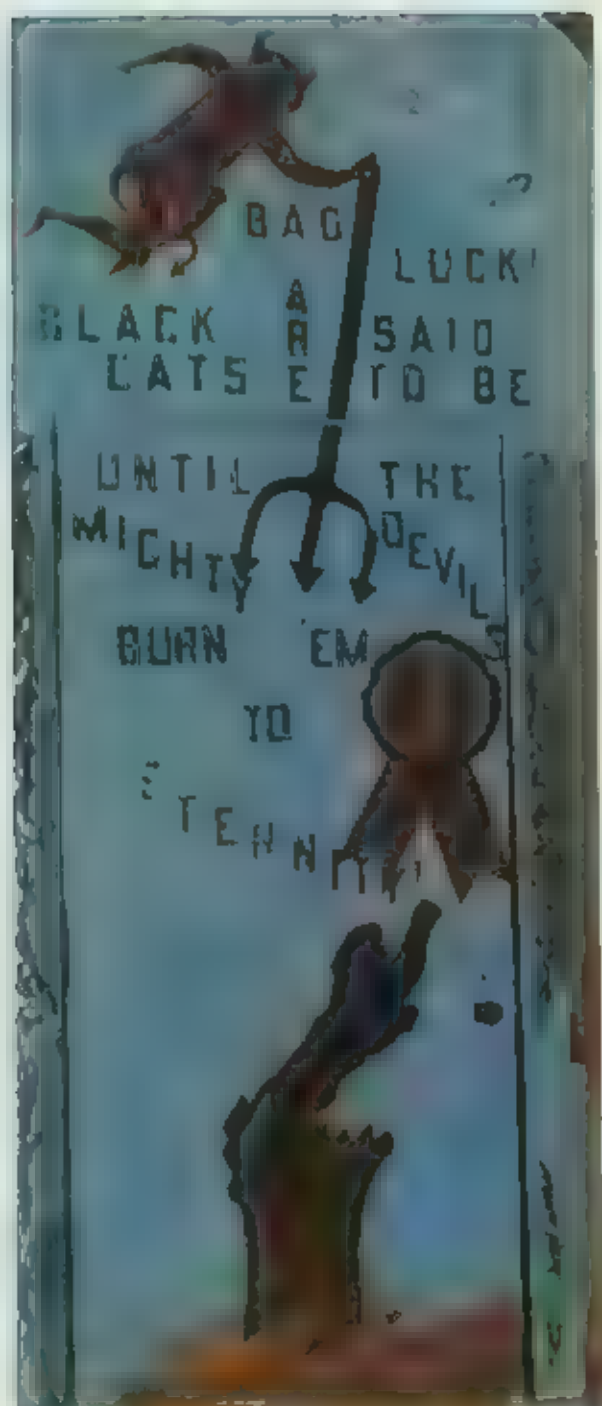

Yes, memories are happenings
Each one a different kind,
Each one a separate chapter
That is printed on the mind.

We can't erase the sadness
 Or edit out the tears,
 We can't undo the wrong we've done
 We can't relive the years.
 But since memories keep building
 Each day will be the start,
 Of making new and happy ones
 To store within the heart!

DEDICATION

The De Vena Staff would like to dedicate the 1979 De Vena to MRS. AUDREY BURKHALTER. Mrs. Burkhalter has been teaching since 1937. She took state examinations to begin teaching after finishing high school, then went to school in the summer to get her B.S. Degree from the University of Montevallo.

She has certainly served Verbena High School well. We will always remember her and the guidance she gave us. She has been an inspiration to all of us and we would like to say Thank You to one of the finest members of the V.H.S. faculty.

PRINCIPAL

Congratulations to the annual staff and sponsor for this fine edition.

We hope Verbena High School has been a challenge and an inspiration. May God bless you as you look toward the future.

In years to come, as you look through this annual with fond remembrance of your school years, strive to help keep alive the spirit and tradition that is Verbena High School.

James L. Popwell

The Graduates

Being a Senior brings us both sadness and happiness. You realize you are going to leave Verbeta High and all your friends. But, being a Senior gives you a sense of pride and joy because you've made it to the top where you've always wanted to be.

Tears, laughter, joy, sadness, heart, fun, and long lasting memories are all a part of being a Senior.

Yearbook

High school is the whirl of fall
leaves swirling across a road at
twilight.

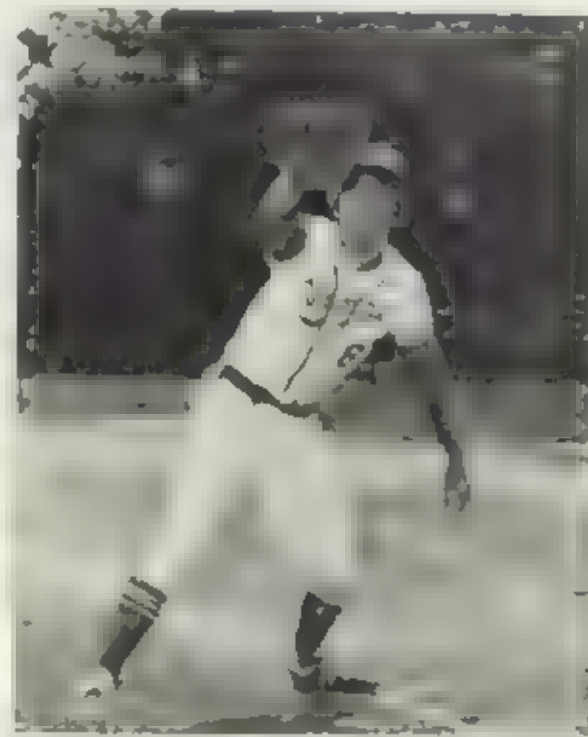

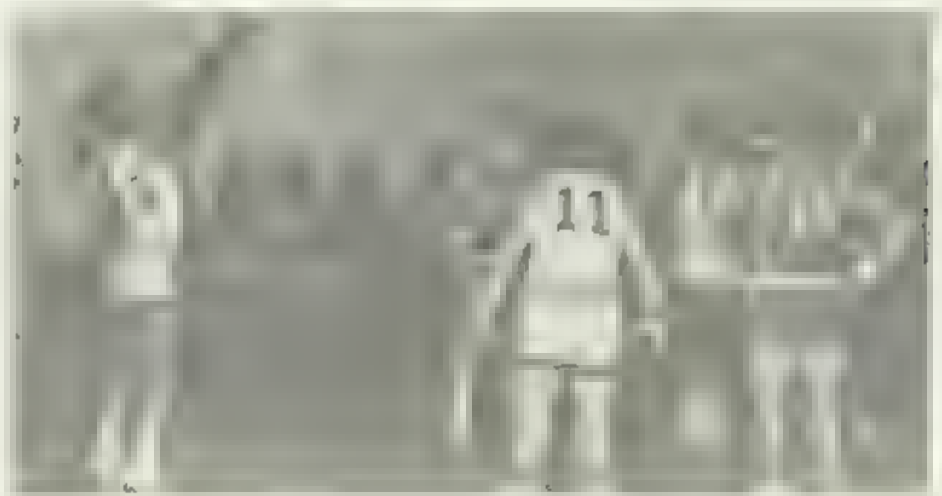

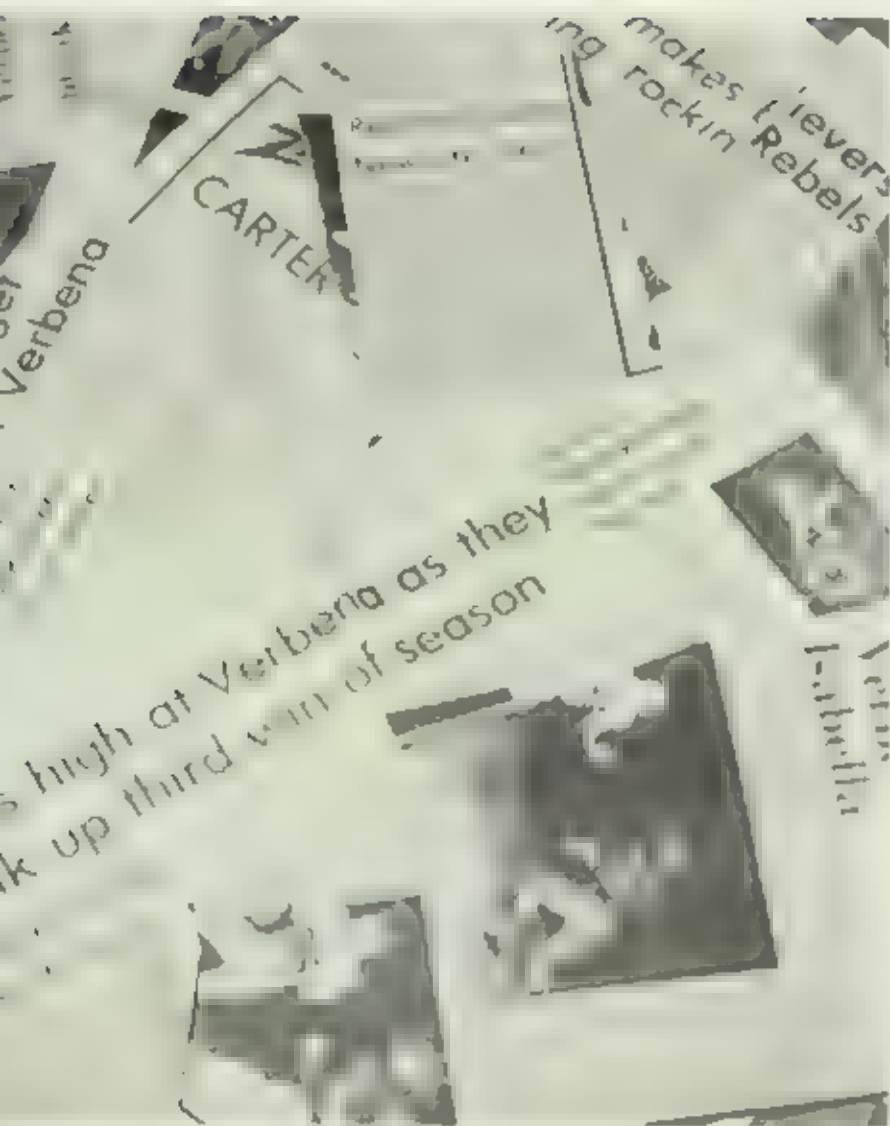

It's a gold-plated megaphone,
dangling from a dainty chain.
It's buying all the latest fashions,
then baby-sitting.

It's meeting friends, watching
the winning touchdown and experi-
encing the thrill and sweat of a
locker room after the struggle.
High school is cramming for an
exam that you'd rather forget.
It's a shiny bronze ring that
catches the light and a charm
bracelet with scattered memo-
ries.

High school is growing up, and
growing up is wishing
you were young again.

Suzanne Branciforte

The Commitments

Were it not for organizations at V.H.S., school would be very dull. Student participation and leadership qualities are encouraged and developed by means of membership in various clubs. This membership is beneficial to students both individually and collectively. The results of cooperation and teamwork are evident in the many activities initiated by these organizations.

The Staff Hard at Work

Being on the DEVENA Staff means, first of all, hard work. But it also means pride and a sense of accomplishments when you have done your job well. We hope that we have presented the real story, through pictures, of what it means to be a student of V.H.S. After many long, hard hours we present to you "our version."

We would like to thank the people who have so graciously let us use their homes for pictures, and also Mr. Popwell and the Faculty who have supported and helped us in every way possible.

THE DEVENA STAFF

Forty names just WILL NOT fit in one inch of space!!

Oh No, JoDell! Not another mistake on MY Sports section!!

Now Julius, I KNOW I didn't eat those baseball pictures! Did you?

Susan, you look happy now, but wait till you get to your 22nd quad-pak!

Editor

This year has been a very special one . . . jammed, crammed, packed full of MEMORIES . . . happenings we will never forget . . . laughter and tears . . . surprises and disappointments.

I breathed a sigh of relief as we sent off the last shipment, thinking it was finally all finished and now I could relax! But I knew I would be watching for its return every day!

When you receive this edition of the 1976 DEVENA, graduation will be almost here. It's hard to explain how I feel because to try and sum up your "Senior Year" in words is impossible. There is a combination of happiness and fun, and yet . . . there is a sadness about it too.

To the members of my Senior Class I would like to wish the very best in life as we go our separate ways. May God Bless all of you.

Being Editor of the DEVENA has had a special meaning for me, especially in this bicentennial year. Our Senior Class is privileged to graduate in the year of America's 200th Birthday - 1976. I am very proud to be a citizen of this United States of America, a country founded on the love of God and a desire to always be able to worship freely. It is my prayer that we will always have this freedom.

I would like to give a well-deserved thanks to Mrs. Gwen Davis, our sponsor, for all her advice and hard work. She has been a tremendous help to the staff, and I genuinely appreciate all she has done this year to help make this 1976 DEVENA a memorable one.

The Underclassmen

An Underclassman is a student who slowly rises from year to year to become the long dreamed senior. Yes, an Underclassman may look at a senior with envy because of "senior privileges" but we should all remember that our turn will come. As Underclassmen we learn to face the day to day problems that sometimes bring about unhappy as well as happy endings.

The Leaders

I believe Verbena High has one of the best faculties possible for involvement and concern for students. During my twelve years in school here, I have found that teachers are usually ready to help with any problem you may have with their class. If a club or group has needed a sponsor there has always been a teacher there, ready to help.

True Measure

How long we live is not for us to say;
We may have years ahead — or but a day.
The length of life is not of our control,
But length is not the measure of the soul —
Not length, but width and depth define the
span
By which the world takes measure of a man.
It matters not how long before we sleep,
But only how wide is our life — how deep.

**We
Celebrate
the Past**
in the spirit of seventy-six

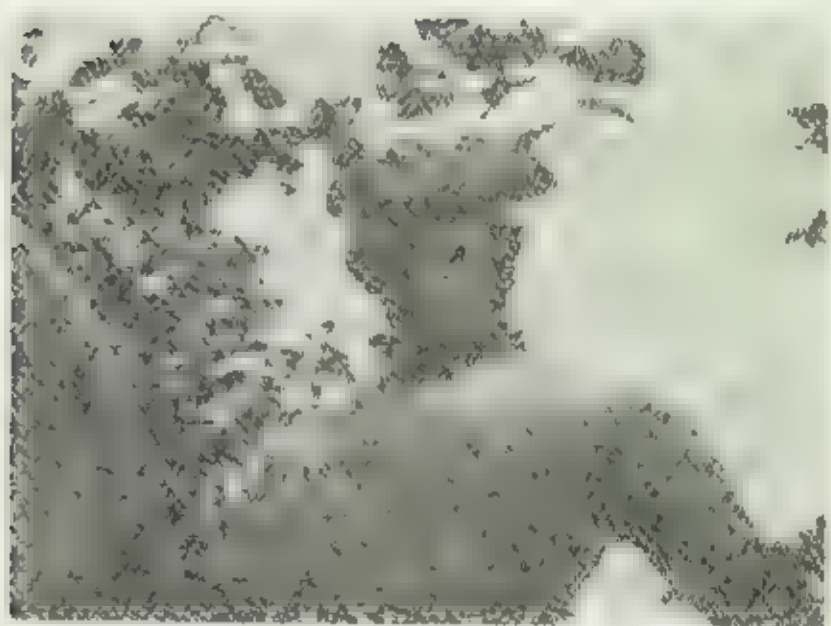

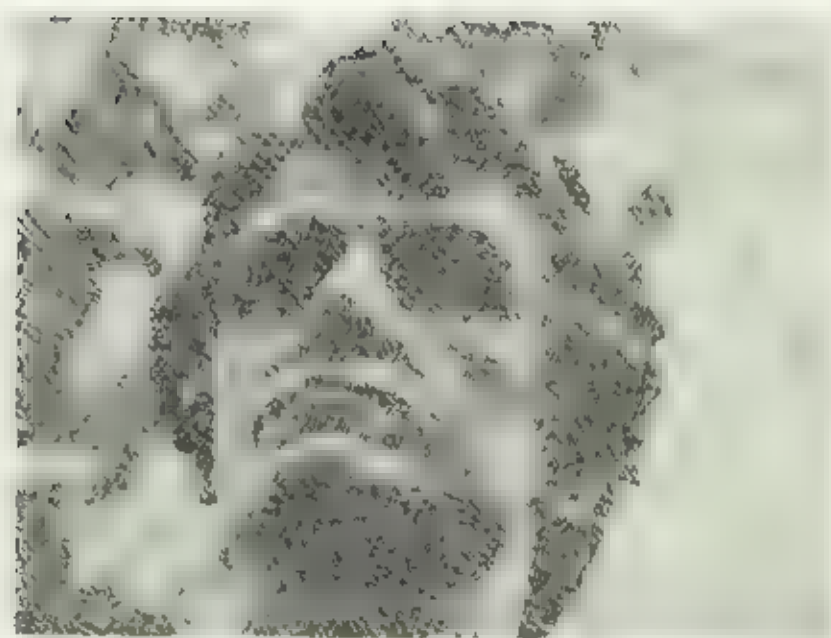

There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the "*Spirit of '76.*"

What was that spirit — and indeed what is that spirit?

It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

Independence Hall

*The State House of
Pennsylvania*

*The Birthplace of
the UNITED STATES
of AMERICA*

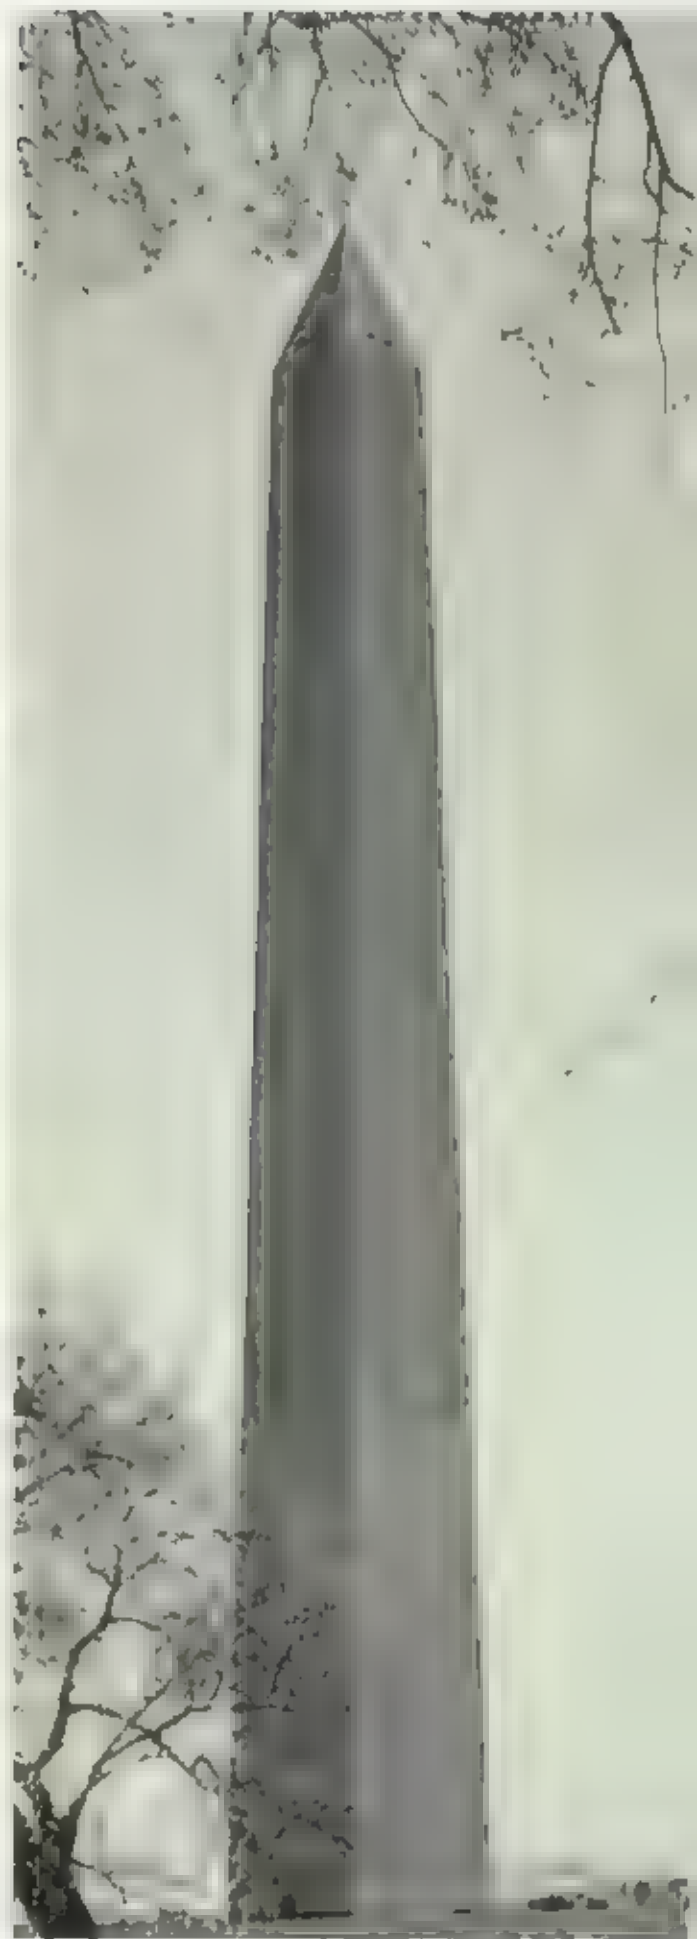

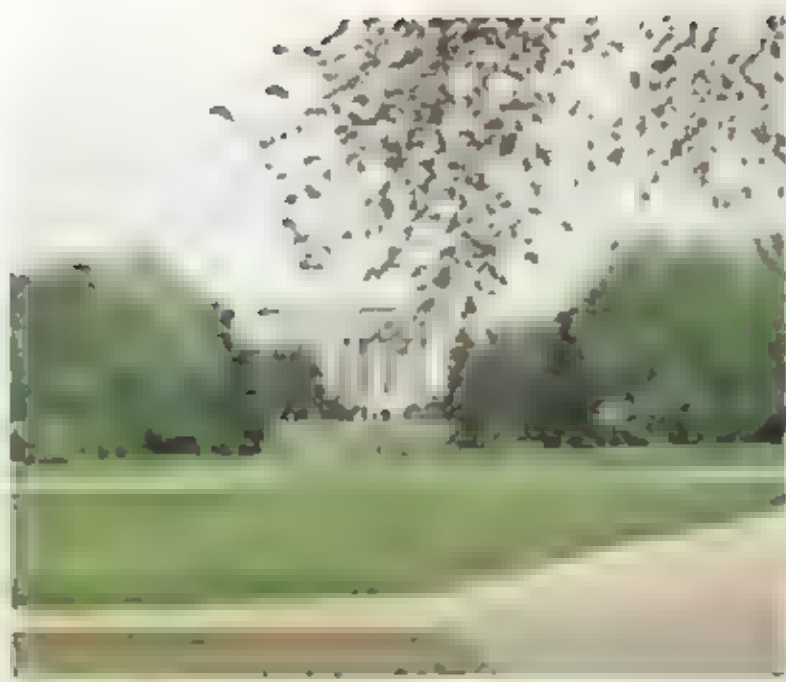

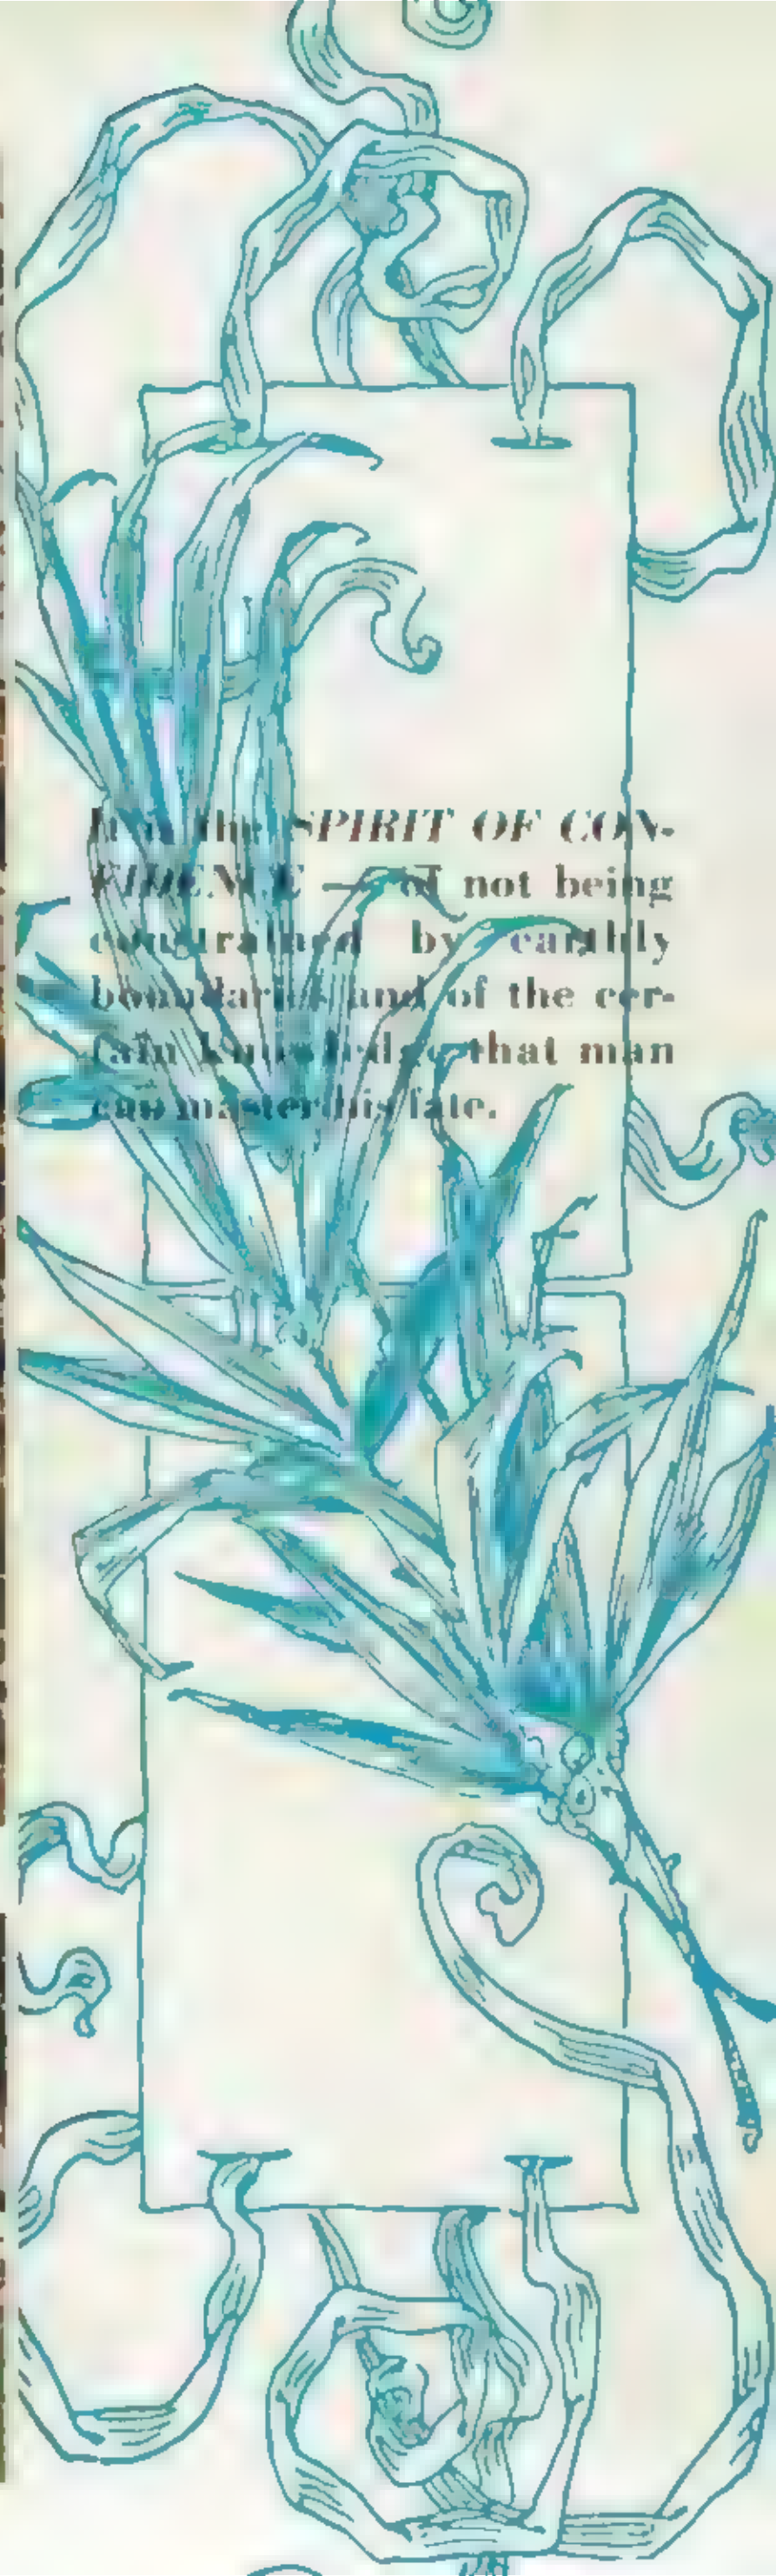

It is the **SPIRIT OF SACRIFICE** — of sharing burdens and conflicts.

It is the *SPIRIT OF OPTI-
MISM* of knowing that we
can always make things
better — of working only
for the best, and expecting
only the best.

IN THE **SPIRIT OF CONFIDENCE** — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

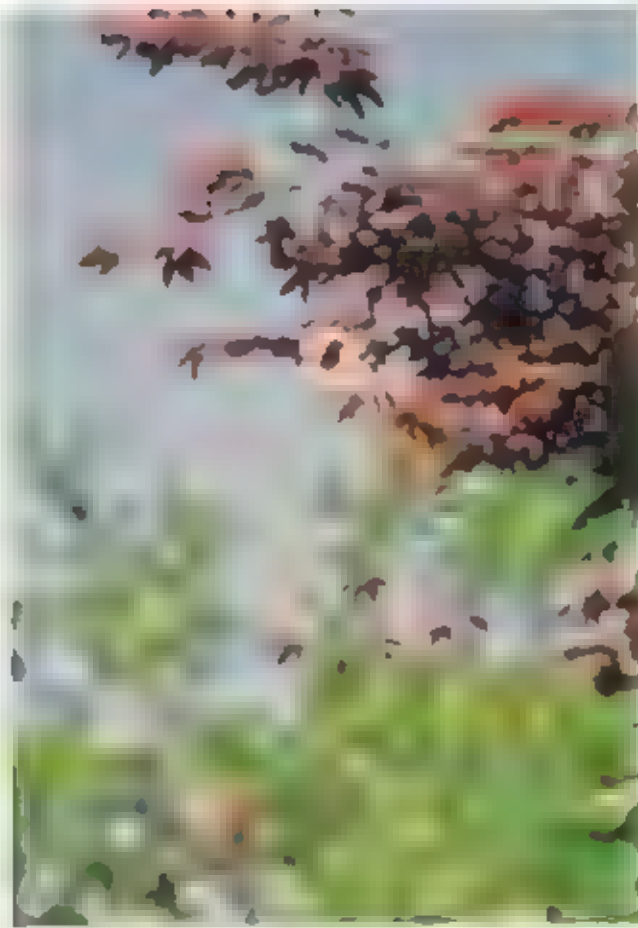

It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.

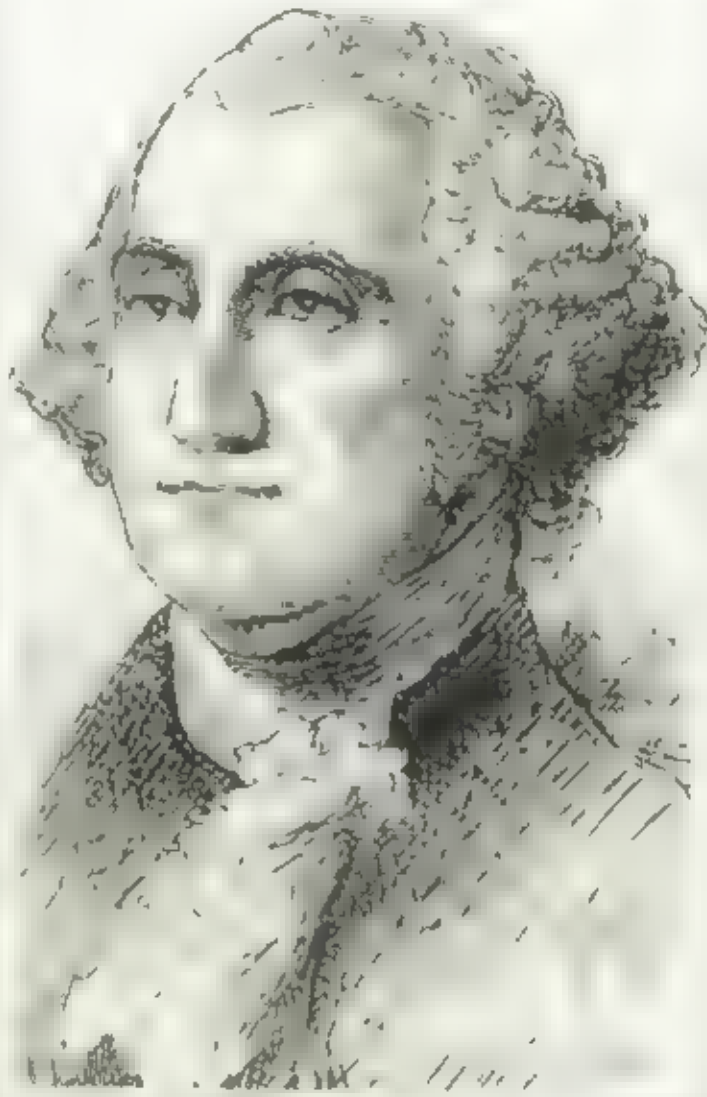

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

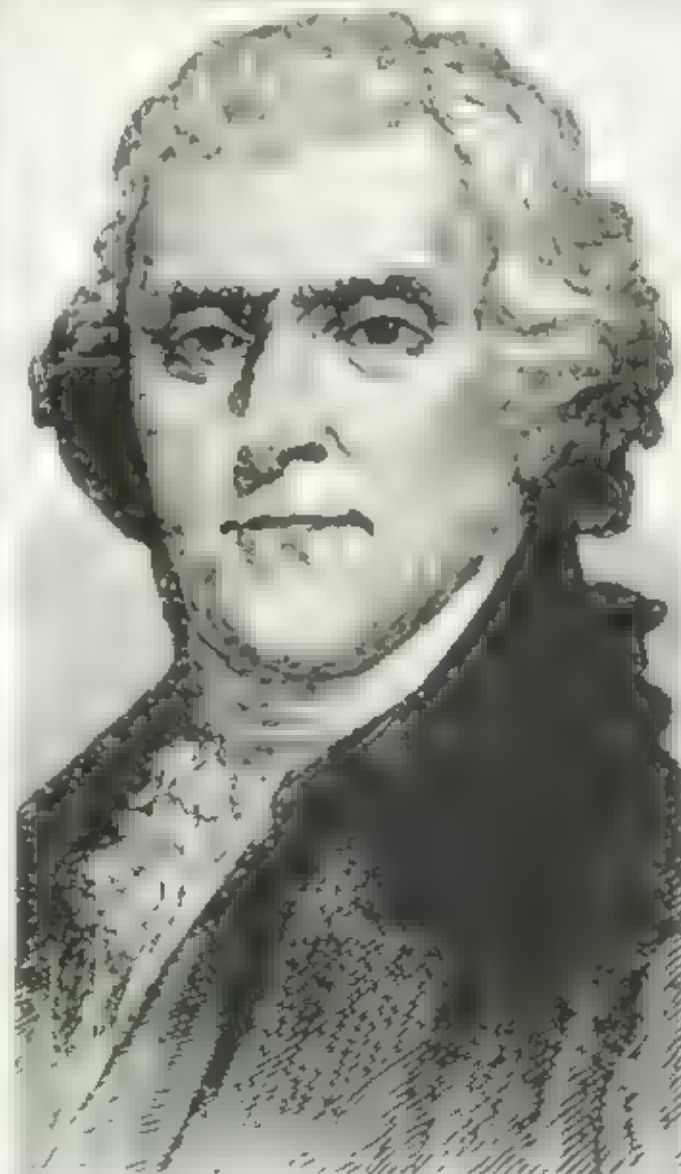

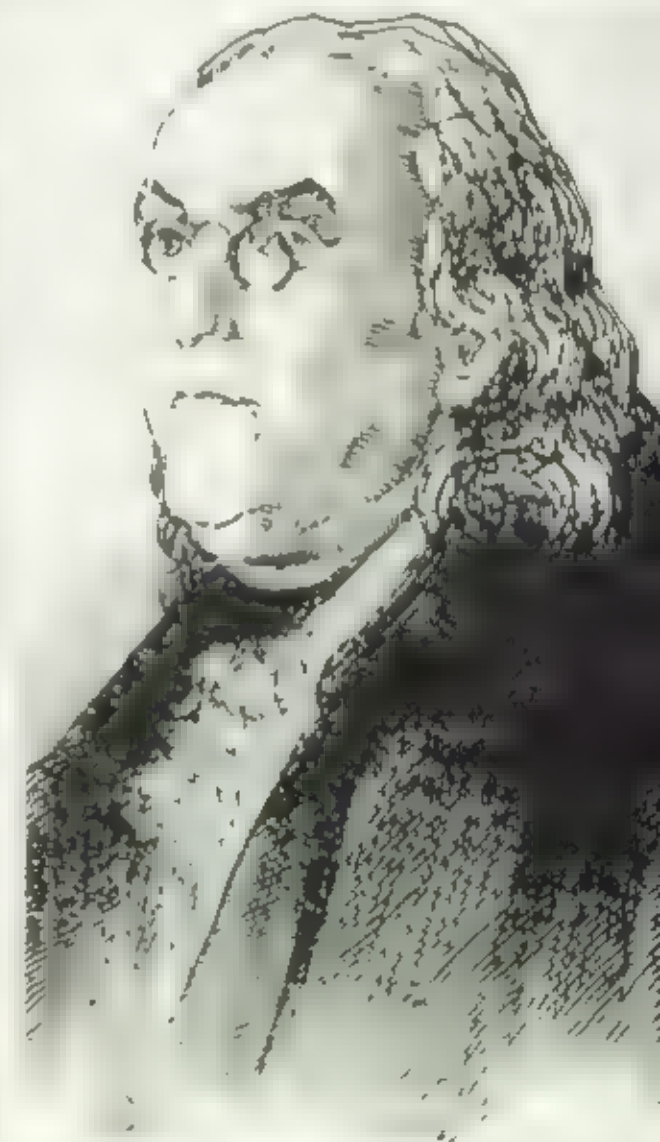

George Washington

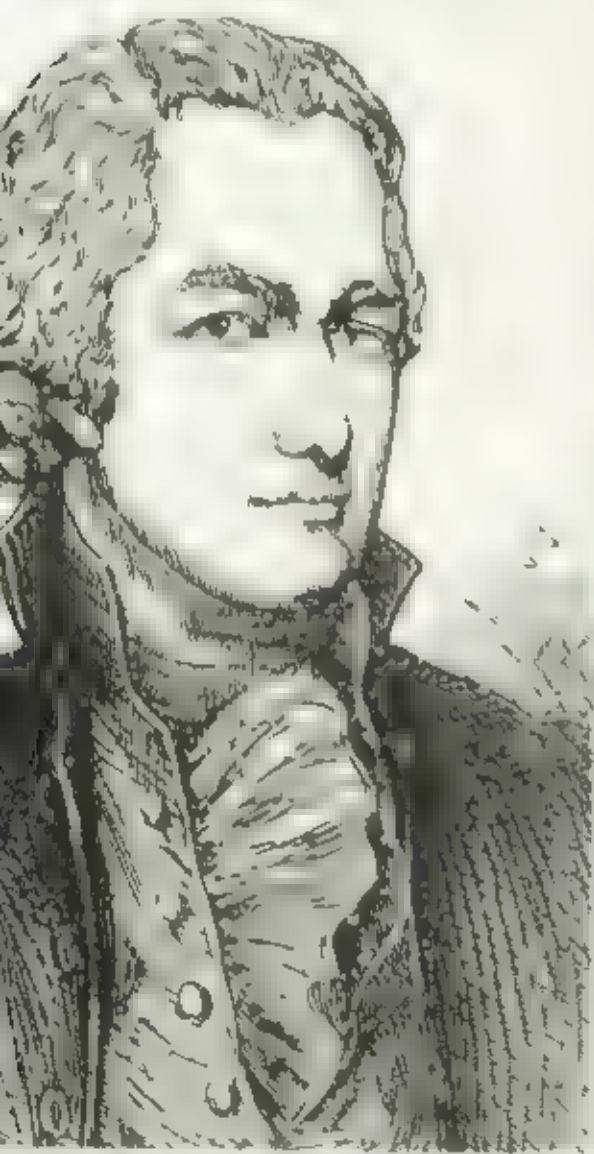

John Adams

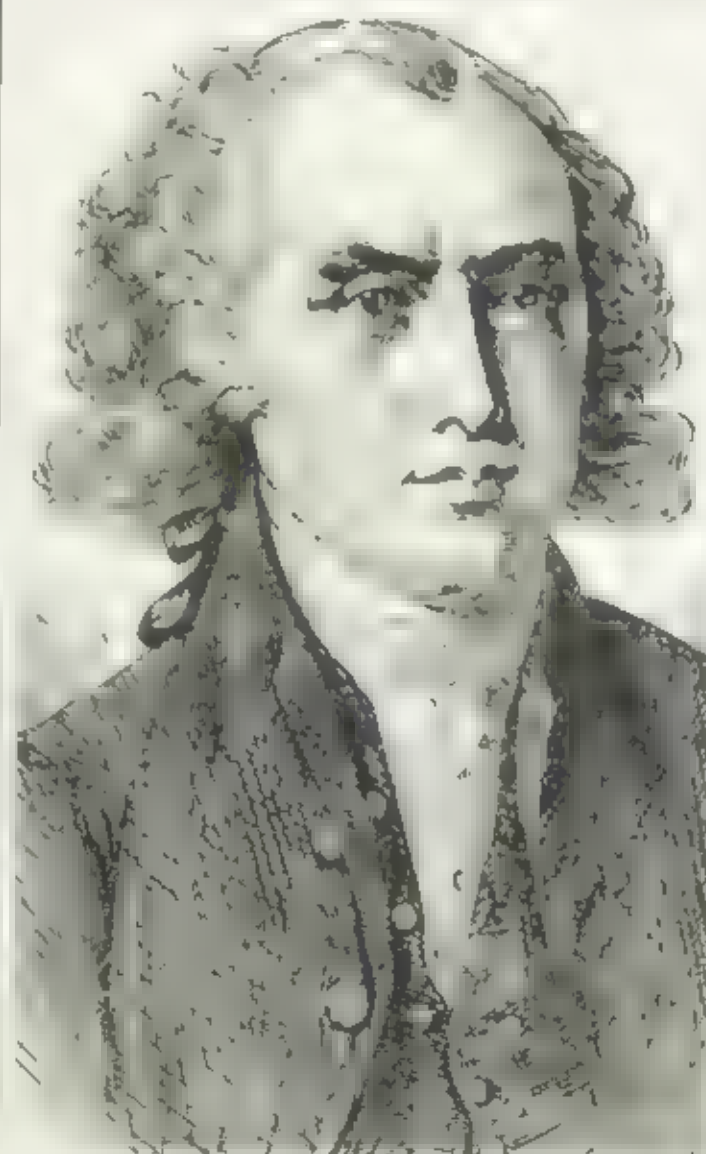

Thomas Jefferson

Benjamin Franklin

Alexander Hamilton

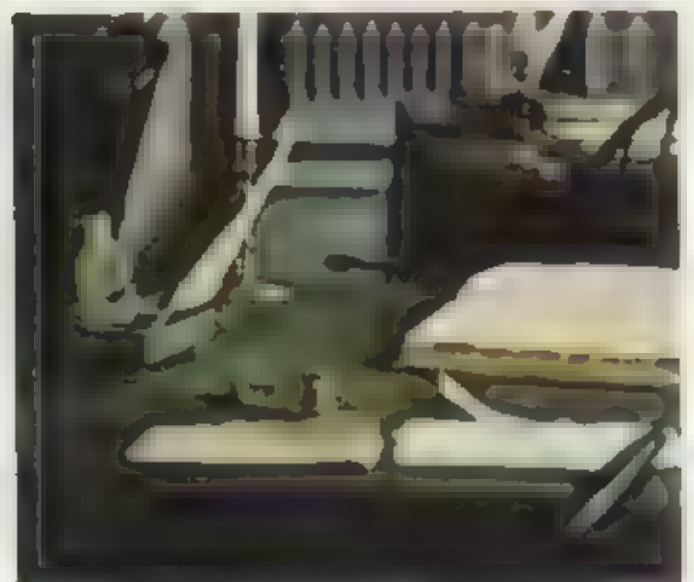

James Madison

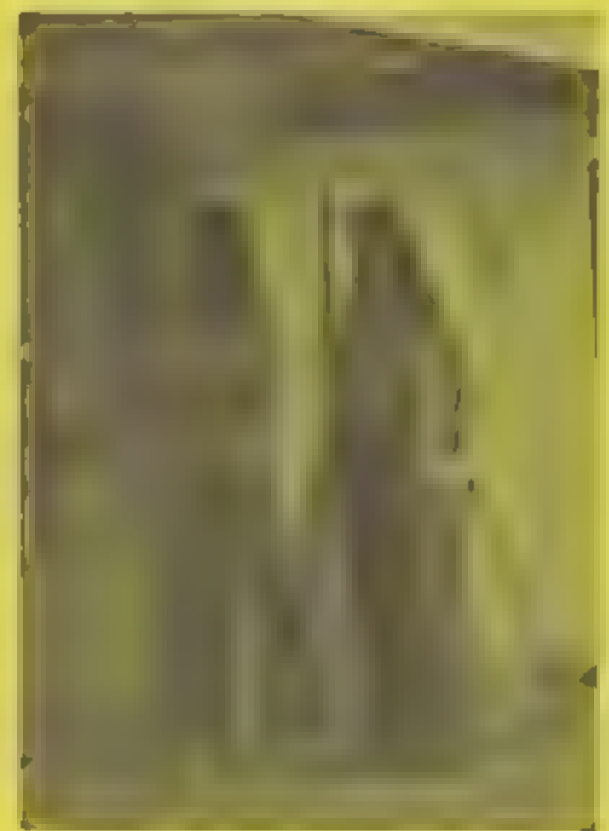

John Hancock

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.

Indeed the "*SPIRIT OF '76*" was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

The Commercials

The importance of money and the functions of the financial world are two important lessons to be learned in life. These things, as well as the knowledge we gain in the classroom, are essential elements in the formation of well rounded citizens for life in a democratic society. The members of the annual staff can well appreciate the significance of this fact: the preparation of a fine yearbook involves much activity in business affairs and financial management. The following pages contain some of the most worthwhile results of student involvement in these areas: advertisements. Without them it would be impossible to finance and bring to you a yearbook of excellence.

"The People's Watchdog"

The newspaper that cares what the students at North High School think would like to wish the following for the 1976 graduating class:

"I will start today serenely
With a true and noble aim;
I will give unselfish service
To enrich another's name.

I will speak a word of courage
To a soul enslaved by fear;
I will dissipate drab discord
With the sunshine of good cheer.

I will be sincere and humble
In the work I have to do;
I will praise instead of censure
And see the good in you.

I will keep my mind and body
Sound and flexible and pure;
I will give my time and study
To the things that long endure.

I will do what I am able
To advance a worthy cause;
I will strive to lessen evil
And obey God's righteous laws.

I will pray to Him to guide me
In the straight and narrow way;
I will shun false pride and folly,
I will live my best today."

Joey, I think somebody's reaching us!

... at least 30 lbs., but it broke the line.

There was an old woman who lived in a shoe, she had so many children she didn't know what to do!!

Touch a rainbow,
Reach a cloud;
Kiss the sunshine,
Love out loud,

Grasp the stars
and sky,
Cherish memories;
Live life to its
fullest
But don't destroy
the meaning.

Most of all, love
God above,
For He's the one
to turn to;
Call upon Him
each day,
And remember
He's the one
to look to.
